Remainder of FY proposed travel rev 8-17-2015 v1.xlsx

Ladies,

This spreadsheet should help with funding non-site travel while I am on vacation.

If you have any questions, you can ask Harry, Marc or Dee.

We currently have three employees at the Gold King Mine emergency response. The account code for travel is 2015 T 72G 303DC6 A8K9RV00 (just in case they send someone else and that person does not enter the account string on their travel authorization).

Jennifer: I have you as my Proxy in EAS.

Can't think of anything else right now.

Thank you all for covering for me.

Edith
